## Professional Summary

Jr. web developer with a background in operations, retail, and emergency medical services. Each field has been completely different than the last, but has helped my growth as an individual. Bringing forth a motivated attitude and a variety of powerful skills. Committed to utilizing my skills to further the mission of a company.

## Employment History

### Freight & Inventory Associate, Home Depot
Hixon, Jan 2021

• Developed and executed strategy for logistics and inventory management.
• Maintained inventory and ordered supplies as necessary.
• Operator of forklift & other machinery
• Collaborated with other associates for better efficiency

### Emergency Medical Technician, Amerimed Emergency Services
Chattanooga, Sep 2019 – Sept 2020

• Maintained assigned ambulance in a state of constant cleanliness and readiness to respond to non-emergency calls.
• Appropriately and safely responded to calls when dispatched.
• Rendered appropriate medical care, within my scope of practice.
• Documented medical histories, concerns, and changes in patient's condition.
• Worked well with nurses, doctors, and medical professionals.
• Helped to maintain meticulous medical records, and made changes when necessary.

### Shift Manager, Half Price Books
Decatur, Jan 2015 - Sept 2018

• Managed a team of 3-4 booksellers
• Handled cashier duties and money management
• Responsible for buying of new & used merchandise
• Assisted with customer service requests and orders
• Trained over 10 different employees in several different fields

## Education

### Full Stack Web Developer Certificate, Career Foundry
Aug 2021 – July 2022

• Built a portfolio website from scratch
• Created six separate projects utilizing different builds & programs
• Enhanced skills in HTML, CSS, JavaScript, TypeScript, React, Angular, Bootstrap, jQuery
• Incorporated back-end testing through Heroku, Firebase, MongoDB
• Constructed serverless functions with test-driven development
